

Motor Oils Automotive

Presteza MSP 5W30**Description**

Presteza MSP is a synthetic fuel economy motor oil formulation, developed according to the most recent mid SAPS technology. Specially selected synthetic base oils and a well balanced choice of advanced additives results in the following properties:

- a lower fuel consumption
- mid SAPS content
- a fast cold start
- a safe lubrication film at high temperatures
- extended oil drain intervals
- a very good detergency and dispersion
- a very strong protection against wear, corrosion and foaming

Application

Presteza MSP 5W30 is a synthetic mid SAPS fuel economy motor oil, recommended for use in petrol and diesel engines, with or without turbo-charging, in passenger cars and delivery vans with extended oil drain intervals. Due to mid SAPS technology Presteza MSP 5W30 also contributes to the extension of the lifetime of particulate filters. Due to its special composition it is possible to apply this product extremely for the latest MB 229.31 and BMW Longlife 04 requirements.

Specifications

API SM/CF
ACEA A3/B4, C3
VW 502.00/505.00 (level)
MB-Approval 229.51 (pending)
BMW Longlife-04

Typicals

Density at 15 °C, kg/l	0,852
Viscosity -30 °C, mPa.s	5970
Viscosity 40 °C, mm²/s	74,40
Viscosity 100 °C, mm²/s	12,20
Viscosity Index	162
Flash Point COC, °C	240
Pour Point, °C	-33
Total Base Number, mgKOH/g	7,7
Sulphate Ash, %	0,71
